- **Lord,** You are Creator of all material things and have entrusted a portion to me; therefore, I acknowledge You as owner and myself as manager of all you have entrusted to me.
- **Lord,** You have a place for me in accomplishing Your purposes, and have given me gifts to be used to these ends; therefore, I acknowledge my responsibility to discover, develop, and use my gifts in service through this church.
- **Lord,** You have given the church its mission; therefore, I acknowledge my responsibility to support the ministries of this church in accomplishing that mission.
